#### About the product:

Ok, I will be up front about this, I created the original art for this print in my shop Marookat, so of course I love it. If I didn't, I wouldn't be inclined to display it on a product for all to see! That being said, I love this image for a kitchen wall; it is whimsical, it features cupcakes (yum), and crocodiles cooking, and juggling food! I suppose my taste swerves toward animals in aprons and images a kid would love, but some of us are kidding ourselves if we always feel we must be grownup in our tastes....

**About the print:**

I was so happy with the printing -- since I painted the original art for this print, I sheepishly admit that I like it better than the painting! The colors are bright and rich, the many small details are crisp and clean, and the background colors are scrumptious. Wonderful rich printing job - makes me look good!

**About the product:**

I ordered this to display on the wall at our church. The wrapped canvas construction is fantastic! I love the 1.5" wrap thickness. I ordered the 11" x 14" size and it turned out perfectly.

**About the print:**

The colors looked great. The subtle design in the background was perfect. Printing is very crisp.

**About the product:**

This canvas is beautiful and the quality is very good. It surpassed my expectations and I'm very happy with my purchase. I purchased it for my studio and I've received several positive comments from friends.

**About the print:**

The colors were very close to what the picture showed. I actually liked the tone of the purple better than the one that was displayed on the website, under the product description.

★★★★☆ **Large Canvas Print**

**Product Quality:** Good      **Recommended:** Yes      **Shipped on time:** Yes  
**Print Quality:** Good      **Recommended for:** Myself

**About the product:**

I am quite happy with how the wrapped canvas print of my own photo turned out. I've never printed such a large photo - 36" x 24". I was worried it wouldn't look right, but I am happy with it.

**About the print:**

The reason I gave it 4 stars is because it seems that the canvas print came out a little darker than the original photo. There was also a small blemish on the bottom right corner of the canvas. It is minimal and I didn't want the hassle of sending it back, paying shipping and waiting for it to arrive again. Overall, I am happy with my canvas.
